Press Release

• For Immediate Release: October 22, 2008

Haggan Aviation in Colorado Receives FAA Repair Station Authorization for Hawker 1000.

Englewood, CO – Haggan Aviation is proud have added the Hawker 1000 model to our repair station. This completes the set. Haggan Aviation now is approved for all Hawker Beechcraft models from the 1A through the 1000. Since 1996 Haggan Aviation has provided routine and heavy maintenance on Hawker and Learjet aircraft. We recently delivered our first 1000 48 Month / 16 year inspection with a complete interior refurbishment.

continues

Haggan Aviation is located at Centennial Airport just south of Denver, CO.

Since 1996 Haggan Aviation has been servicing turbine corporate aircraft specializing in heavy maintenance on Lear Jet, Hawker, Westwind Citation and Beech Jet (Hawker 400). All 30 mechanics are factory or flight safety trained. We operate 2 shifts, 7 days a week.

Haggan Aviation is an authorized TFE731 line service center as well as Honeywell, Rockwell Collins, Universal Avionics, Chelton, Shadin, AirCell and Flight Display Systems.

Haggan Aviation is a member of the NBAA and the AEA.

We take pride in providing the best possible customer service and value in corporate aviation.
